GENERAL SECRETARY.
1 - DEC. 1936

H. Venkatesa Iyengar, Esq., B.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
.....General..... *Department.*

SIR,

Revision of the scale of the Gumbuz and other allied institutions at Seringapatam.

I have the honor to submit herewith proposals in respect of the above subject received with letter No.H.337/36 dated 4th April 1936 from the Deputy Commissioner, Mysore District, a copy of which is enclosed. The report drawn up by the Sub Division Officer and the Deputy Commissioner's letter explain fully the scope and extent of the present proposals.

2. The scale was last revised in G.O.No.1391-3/Muz.249-26-6 dated 31st March 1927 and since then many fresh additions have been made under orders of Government. The present expenditure amounts to ₹ 14,15 against ₹ 12,970 provided for in the scale and leaves a reserve of ₹ 57 against ₹ 1,230 anticipated previously. Even this reserve is nominal inasmuch as a much higher expenditure on account of electric lighting charges than ₹ 360 is being incurred. The increase of ₹ 1,175 is accounted for by the fact that under I Establishment (a) Gumbuz and (b) Masjid-i-ala, IV Periodical Fateihas and VI Miscellaneous, additional expenditure under the following items has been sanctioned by Government:-

		Rs. A. P.
(i)	Increase of pay and allowance to the clerks of the Nazim's Office	34-0-0
(ii)	Do. of Daroga	69-0-0
(iii)	Addition of Bavarchi	72-0-0
(iv)	Addition 1 Establishment made permanent in G.O. No.947-3/Muz.249-26-16 dated 7-12-1927 ..	459-0-0
(v)	Preparation of Malida	150-0-0
(vi)	Electric Lighting charges..	360-0-0

3. The scale now proposed by the Deputy Commissioner as a result of [illegible] personal discussions he had with the Convenor of the Committee, provides for an expenditure of 14,063-11-0 against an estimated income of 14,316-15-9, leaving a reserve of 253-4-9 a year. Even though there is increased expenditure to the extent of 559 as noted in the [illegible]

		Rs. a.p.
I.	Establishment. (a) Gumbuz and (b) Masjid-i-Mula	228 0 0
II.	Gardens	15 0 0

III.	Daily Bathas and other charges ..	531 [illegible] 0
IV.	Periodical Bathas	514 15 9
V.	Minor Masjids	12 0 0

margin, there has been a reduction of 647-15-9 under certain other items with the result that there is a net savings of 88-15-9 over the present expenditure. This, together with the increased income of 198 and the reserve of 57 in accordance with the existing scale go to make up the annual reserve of 253-4-9 referred to above. Except for the abolition of three appointments, viz., Chirakafruz, Dowzan and Gidiyalchi, the entire establishment is kept intact with a small increase in a few deserving cases. Beyond providing 15 a year for the daily Batcha of Arubbi Madrasa, 36 for the Chirakbatti expenses of the Lasore Lashkar Mohalla Ashurkhanna, 72 for the remuneration of the Hafiz which expenditure is even now being incurred though after year by obtaining special sanction and 36 for Shebiha allowance, no other item of expenditure has been newly proposed.

4. I am of opinion that the scale has been very judiciously prepared even though it may be considered that the reserve left is not appreciable and will not be adequate to meet the requirements of the institutions. A larger reserve does not seem to be possible until the income from the Gardens improves: but there is no apprehension of exceeding the scale as is now done as provision for all items of expenditure has been adequately made. I request, therefore, that the scale as amended hereto may be sanctioned for a period of five years, commencing from January 1937.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

ter No.H.887/35 dated 4-4-36 from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Scale of expenditure - Gumbuz and Masjid-i-ala and other allied institutions - Seringapatam - revision of.

With reference to G.O.No.1891-2/Muz.249-26-6 dated 31st March 1927 sanctioning the revision of the scale of expenditure of the Gumbuz and the Masjid-i-ala, and other Mahomedan institutions at Seringapatam, I have the honor to submit herewith two sets of proposals--one received from the Sub Division Officer, French Rocks, and the other received from the Convenor of the Gumbuz Committee-- for further revision of the scale of expenditure of the above institutions and to state as follows:-

2. The present income of the institutions remains more or less the same though additional items of expenditure to the extent of 1,164-0-0 (as per detailed statement in the records) were sanctioned subsequent to March 1927.

The income from Gumbuz Garden is shown as ₹ 500 in the existing scale. But as the Gumbuz Garden is now being re-laid and fresh lawns are being laid out, there is the probability of some of the fruit-yielding trees being removed and consequently the income from the Garden is likely to go down. The income from Garden may, therefore, be taken approximately at ₹ 300 per year.

In the existing scale, a sum of ₹ 100 is provided as the income from Golaka Collections, though the actual average collections aggregate to ₹ 300 per year.

The Sub Division Officer proposes that as the Gumbuz is associated with the memory of Royal personages, the system of having a Golaka may be abolished though the institution loses a small portion of its income from this source. The Golaka is kept at the Gumbuz from a long time more on account of the sentiment of the devotees that they should make some offering when they visit an important institution like the Gumbuz. Even if the Golaka is removed, the devotees will continue to pay the members of the establishment with the result that the collections will not be brought on accounts. I have discussed this question with the Convenor who is also not in favour of removing the Golaka. It may be allowed to continue.

3. The present income of the institution is estimated as ----------

follows:

(i)	Cash Grant	Rs 12,971
(ii)	Gumbuz Gardens gutta amount	" 30
(iii)	Goluka Collections	" 300-
(iv)	Interest on investments	" 698- 4-9
(v)	Shop tax	" 100- 0-0
(vi)	Mosjid gutta (Gumbuz)	" 3- 0-0
(vii)	do. (Masjid-i-ala)	" 5- 0-0
		14,316-15-9

4. In the scale proposed by the Convenor, the pay of the Nazim is provided at 50. It may continue at the existing scale in grade of 40-2-50. Owing to the onerous nature of work of the Gumbuz Office clerk, his pay and travelling allowance is slightly proposed to be increased. In the existing scale, the pay of the Khateeb is fixed at ₹ 15. But in the revised scale, it is proposed to be enhanced to 30 with a view to secure the services of ~~the~~ a Khateeb with the qualification of a Hafiz. I am not in favour of this arrangement as the services of a Hafiz are required only during Ramzan and this is only for a month in each year. As this arrangement involves an extra expenditure of 180 per year, the pay of the Khateeb may be fixed at ₹ 15 only in the revised scale also. A separate provision of ₹ 70 (per year) is proposed under Miscellaneous items towards the remuneration and travelling allowance, for the services of the Hafiz to be employed during Ramzan Sheriff.

The monthly ~~services~~ allowance of ₹ 3 for the chirak-bathi of Lashkar Mohalla Shorkhana is proposed to be continue in the revised scale.

The provisions of 30 and 300, respectively, towards awarding prizes during the Urus and payment of pensionary contribution so as to make the posts of the Gumbuz Office pensionable ones, are unnecessary. They have been omitted in the revised scale.

The expenditure proposed in the revised scale as modified by me, is follows:-

1.	Establishment.	
	(a) Gumbuz	.. Rs 4,104- 0-0
	(b) Masjid-i-ala	.. " 2,304- 0-0
2.	Gumbuz Gardens	.. " 1,215- 0-0
3.	Building Repairs	.. 2,919- 0-0
4.	Periodical Repairs	.. " 1,401-11-0
5.	Bonus Wasids	.. " 216- 0-0
6.	Miscellaneous (including reserve) ..	.. " 2,157- 4-9
		14,316-15-9

The proposed revised scale of expenditure as modified by me meets the present requirements of the institutions. I have personally discussed each item of expenditure with the Convenor of the Guzerat Committee and he is agreeable to the modifications suggested by me. I request that sanction of Government may kindly be obtained to the revised scale of income and expenditure for a period of 5 years.

5. The connected papers are submitted herewith.

ORDER No. 1339-41—MUZ. 214-36-2, DATED BANGALORE, THE 1ST APRIL 1937.

The scale of income and expenditure of the Gumbaz and allied institutions at Seringapatam was last revised in the Government Order dated 31st March 1927, read above, and since then many fresh additions have been made under orders of Government. The existing scale of expenditure as per Comptroller's figures amounts to Rs. 14.298-15-9 against an income of Rs. 14,208-15-9 per annum. The scale now proposed by the Deputy Commissioner, Mysore District, provides for an expenditure of Rs. 14,063-11-0 against an estimated income of Rs. 14,316-15-9, leaving a reserve of Rs. 253-4-9 per annum. Under the revised proposals, while there is an increase under expenditure to the extent of Rs. 559 per annum under certain heads as noted in the margin, there is a reduction in expenditure to the extent of Rs. 647-15-9 under certain other items, with the result that there is a net savings of Rs. 88-15-9 over the present expenditure This amount together with an increased income of Rs. 108 and the reserve of Rs. 57 according to the existing scale go to make up the annual reserve under the revised scale. Except for the abolition of three appointments, *viz.*, Chirak Afruz, Mouzan and Gadiyalchi, the entire establishment of the Gumbaz is kept intact with a small increase in a few deserving cases. There are only four new items of expenditure involving a sum of Rs. 157.

2. The Muzrai Commissioner recommends that the revised scale is suitable and may be sanctioned for a period of five years from 1st January 1937. Government are pleased to sanction the proposals of the Muzrai Commissioner. A statement showing the existing and sanctioned scale of income and expenditure is appended to this order as Annexure II.

ANNEXURE I.

Letter No. 1380—35-6, *dated the* 30*th November* 1936, *from the Muzrai Commissioner in Mysore, to the Secretary to Government, General Department, Bangalore.*

Revision of the scale of the Gumbaz and other allied institutions at Seringapatam.

I have the honour to submit herewith proposals in respect of the above subject received with letter No. H. 887—36, dated 4th April 1936, from the Deputy Commissioner, Mysore District, a copy of which is enclosed. The report drawn up by the Sub-Division Officer and the Deputy Commissioner's letter explain fully the scope and extent of the present proposals.

2. The scale was last revised in G. O. No. 1891-2—Muz. 249-26-6, dated 31st March 1927, and since then many fresh additions have been made under orders of Government. The present expenditure amounts to Rs. 14,152 against Rs. 12,979 provided for in the scale and leaves a reserve of Rs. 57 against Rs. 1,230 anticipated previously. Even this reserve is nominal in as much as a much higher expenditure on account of electric lighting charges than Rs. 360 is being incurred. The increase of Rs. 1,173 is accounted for by the fact that under 'I. Establishment (*a*) Gumbaz and (*b*) Masjid-i-Ala, IV. Periodical Fatehas and VI. Miscellaneous,' additional expenditure under the following items has been sanctioned by Government:—

		Rs.	a.	p
(*i*)	Increase of pay and allowance to the Clerks of the Nazim's Office ...	84	0	0
(*ii*)	Do of Daroga ...	69	0	0
(*iii*)	Addition of Bavarchi	72	0	0
(*iv*)	Additional Establishment made permanent in G. O. No. 947-8—Muz. 249-26-16, dated 7th December 1927	438	0	0
(*v*)	Preparation of Malida	150	0	0
(*vi*)	Electric lighting charges	360	0	0

3. The scale now proposed by the Deputy Commissioner as a result of personal discussions he had with the Convener of the Committee, provides for an expenditure of Rs. 14,063-11-0, against an estimated income of Rs. 14,316-15-9, leaving a reserve of Rs. 253-4-9, a year. Even though there is increased expenditure to the extent of Rs. 559 as noted in the margin there has been a reduction of Rs. 647-4-9, under certain other items, with the result that there is a net savings of Rs. 88-15-9, over the present expenditure. This together with increased income of Rs. 108 and the reserve of Rs. 57, in accordance with the existing scale, go to make up the annual reserve of Rs. 253-4-9, referred to above. Except for the abolition of three appointments, *viz*, Chirak Afruj, Mouzan and Gadiyalchi, the entire establishment is kept intact with a small increase in a few deserving cases. Beyond providing Rs. 15 a year for the daily Fateha of Arubbi Madrasa, Rs. 36 for the Chirakbatti expenses of the Mysore Lashkar Mohalla Ashurkhana, Rs. 70 for the remuneration of the Hafiz which expenditure is even now being incurred year after year by obtaining special sanction and Rs. 36 for Sahebibia Allowance, no other item of expenditure has been newly proposed.

III. Daily Fatehas and other charges	321	0	0
IV. Periodical Fatehas	314	4	9

4. I am of opinion that the scale has been very judiciously prepared even though it may be considered that the reserve left is not appreciable and will not be adequate to meet the requirements of the institutions. A larger reserve does not seem to be possible until the income from the gardens improves; but there is no apprehension of exceeding the scale as is now done as provision for all items of expenditure has been adequately made. I request, therefore, that the scale as appended hereto may be sanctioned for a period of five years, commencing from January 1937.
